Hi Corky:

I'll check with our folks, but I think it's going to be tough to impossible for us to do this during the comment period. It's a great thing you are doing, and we greatly appreciate you doing this!

Marianne Holsman

Public Affairs Director

U.S. EPA Region 10

Desk: 206.553.1237

Cell: 206.450.5895

Marianne,

We're going to have a breakfast forum at the Airport Embassy Suites on Wednesday, June

29<sup>th</sup> to inform people about EPA's harbor cleanup plan and motivate the audience to submit comments. I'm hoping EPA will join our panel, which is likely to include Vigor, DEQ, City of Portland and Port of Portland representatives. We want to have a level-headed, intelligent conversation about the EPA plan and what changes, if any, are worth consideration.

This forum will be open to the public. I'm guessing we'll have roughly 50 people attend. EPA's insight would be a great contribution to the panel discussion. Is this an event your staff would be interested in attending? Give me a call with any questions: 503.287.8686.

Thanks,

Corky

Hi Corky:

We are scheduling a good number of public meetings during the comment period that are our "official" public meetings for the Proposed Plan. I'm not sure we can participate in meetings other than our own during the comment period, but I will run it past folks here.

Marianne,

I'd like to put together a public meeting on the draft plan. The primary goals are to inform the public and generate individual comments. I don't have a date or speakers yet, though I'm looking at a breakfast on June 22. Would anyone from EPA be interested in speaking at this event?

Thanks,

Corky

**Subject:** FW: EPA NEWS - Portland Harbor Feasibility Study and Proposed Plan will be released on Wednesday, June 8

Hi Corky:

You've probably already heard or seen in the news, but thought I'd send along the statement we sent out this morning re: when we expect to issue the Proposed Plan. See below for our statement and let me know if you have any questions.

Have a great Memorial Day weekend!

**Subject:** EPA NEWS - Portland Harbor Feasibility Study and Proposed Plan will be released on Wednesday, June 8

“The EPA will publicly release the Portland Harbor Feasibility Study and Proposed Plan on Wednesday, June 8. A media availability will be held that day, featuring Regional Administrator Dennis McLerran and Regional

Superfund Remedial Cleanup Program Manager, Cami Grandinetti, at EPA's Portland office(805 SW Broadway, Suite 500, Portland OR 97205).

A photo/video availability will follow at a downtown riverside location. More details on the availability will follow on Monday, June 6. The public comment period will officially begin on Thursday, June 9 and end on Monday, August 8. We look forward to speaking with you on June 8<sup>th</sup>.”
